

Santa Central 2018

1. Go to <https://www.signupgenius.com/go/30E0E48AAA92DA7FB6-20181>
2. Select the gift (or gifts) you want to purchase
 - There is a \$30 limit on the gifts
 - Each gift lists the family number (1), child letter (A), Gender (Boy), Age (13), Desired gift (Gift card), and store, if available (Walmart). Hopefully this will make finding the child's desired gift easy.
3. Check the box to sign up for the gift(s) you will donate
4. Click the submit and sign up button (green button at the bottom of the screen)
5. Please complete the requested information (phone number, department, etc)
6. Click submit
 - No one else but administrators will be able to see your name or information--just that the gift has been selected. If you return to the list after you've made your selections, you will see only your name appear on those lines.
7. Label your unwrapped gift with the family/child number (1A), gender (male) and age (13) of the child with a sticker or a sticky note attached with tape. Please put the gift cards in a labeled envelope.
8. Bring your selected gift(s) to your department for pick up by **Friday, December 7th**. Some nice Santa Central Elves will be around to pick them up from your department.

Thank you so much for your generous spirit to help these children have a great Christmas! If you have any questions check in with your Santa Central department rep or email santacentral@co.marion.or.us

**Not a shopper? We take cash/check (make your checks payable to Santa Central) and shop for you! Give it to your Santa Central department contact or contact santacentral@co.marion.or.us to make other arrangements.*
